### Emergency Closings Form

When schools close early due to an emergency, Kids Place must also be closed. If afternoon activities are cancelled, Kids Place must be closed. Therefore, children will be dismissed from school at the end of the day. Parents should register for **RainedOut** to receive notifications (see below). Please make sure your child is aware of the procedures he/she will follow in these emergency situations. All children in Kids Place will be dismissed by the school using the plan listed below. **We will make one phone call to notify you of a Kids Place closing.** Please note below the phone number you wish for us to use.
